

**West Virginia Made: a show of fine crafts and specialty food products.
A wholesale / retail show**

West Virginia State University Extension Service and Preservation Alliance of West Virginia have joined together to establish a wholesale trade show that will provide an exciting new venue for West Virginia artists and food producers. We would like to invite you to join us for the first annual *West Virginia Made* tradeshow: a wholesale/retail show of fine WV made crafts and specialty food products.

Our vendors are established businesses making limited editions products. Their work has been juried unto the top retail shops, galleries and shows in West Virginia. We have brought them all together to offer to you a unique show of locally made products not seen on the big wholesale show circuit across the nation. Join the trend to "Buy Local" by adding these unique products to your inventory.

It's not too late for Holiday Shopping! In addition to taking orders, our vendors will be selling "Cash & Carry" for those who need to fill in their holiday inventory with exciting new product.
